

RECIPE NAME: Oreo Cookie Dessert

FROM THE KITCHEN OF: Nancy Seidl '74

INGREDIENTS:

1-15oz. pkg. oreo cookies
1/3 C melted butter
1/2 gallon favorite ice cream
1-16oz. jar of Hershey's
fudge topping
1-9oz. carton of Cool Whip
(defrosted in refrigerator)

INSTRUCTIONS:

Crush cookies into crumbs. Melt butter.
Add to crumbs and mix well. Put into
9"X13" pan, but save 2 cups for topping.
Slice ice cream on top of crumbs. Top
with fudge topping (heat jar over pan of
water to run easier). Then add cool whip...
& rest of crumbs. Cover and freeze.

Additional Notes: Any kind of ice cream
works well. I prefer chocolate chip, mint &
chip or fudge swirl.
